

KIA ORA! Do you want to improve telerehabilitation in Aotearoa?

We are looking for people and whānau who are living with long term injury or illness and health professionals involved in the design and use of telerehabilitation who can:

Share their stories, experiences and perspectives of telerehabilitation

Work with us to design tools to improve telerehabilitation so that everyone can benefit from it

To watch a video to learn more about this project go to: rebrand.ly/telerehab or scan this QR code

If you want to talk to someone and express your interest in taking part, contact either:
